

THE PULSE TV SHOW APPLICATION 2024

The PULSE is TDChristian's very own TV show, shown at assemblies and online on YouTube. If you're interested in TV, video, film, journalism, graphic design, vlogging, or acting, you should be in this class! Outgoing? Shy? Funny? Serious? No problem! We are looking for people to be in front of the camera, behind the scenes, or both. **No experience necessary.**

Never seen the show? See all previous 13 seasons on our YouTube channel: youtube.com/tchwoodbridge

New this year:

- Being in The PULSE course **does not** affect your grade 9 Arts Course options at all!
- If you are selected for The PULSE, you will earn one full technology credit. This means that you will not take the half credit STEM/Digital Technologies courses in grade 9, but you can always take STEM later in grades 10-12.

THE APPLICATION PROCESS:

If interested, fill out this form as completely as possible and hand it in to Marg in the main office by **9 am, Thursday morning, September 5.** (A tight deadline, but it shows you are responsible).

Your first name: _____ Last name: _____

Please read and checkmark these boxes:

- I understand this class is very hands on and has many deadlines.
 - I understand that unfortunately not everyone who signs up for this class will be able to get in.
 - I understand that if I don't get into the PULSE this year, there are still opportunities for me to join Communications Technology classes in grades 10,11, and 12.
-

Next, check off **all** the boxes that apply to you. Leave the boxes that don't apply to you.

- I consider myself a team player. I get along well with others.
 - I'd love to be mainly in front of the camera as a host or reporter. I'm very outgoing.
 - I'd love to be mainly behind the scenes: filming, recording audio, editing, or creating graphics.
 - I'm up for doing any job, behind or in front of the camera.
 - I consider myself to be a responsible person, and I like to challenge myself to do great work.
 - I consider myself a very curious person. I like to find out how things work.
 - I have watched the PULSE (at least once) before.
