

Student's First and Last Name (printed): _____

Grade 11 Course Selections – TDChristian High School

Instructions and Course Options for 2024-25

The process of using *myBlueprint* for course selections is closed. At this point in the year, students who wish to make course selections for next year need to complete and submit BOTH sides of this page.

Course descriptions can be found in our *Course Calendar*, located on our website under Course Info.

COMPULSORY COURSES:

Every Grade 11 student will take the following compulsory courses next year: English, Math, and Perspectives.

Please select (✓) which of the following courses you wish to take next year for English and Math:

English	
College (ENG3C)	
University (ENG3U) – need ENG2D	
ESL (ESLDO/ESLEO)	

Mathematics	
Every Day Living (MEL3E) permission needed	
College (MBF3C)	
Mixed (MCF3M)	
University (MCR3U) – need MPM2D	

ELECTIVE COURSES:

In addition to the above compulsory courses, students will take 5 elective courses next year. The selection of those courses is done by following the instructions on the back of this page.

After completing both side of this page, please have this sheet signed by a parent or guardian and then submit this form to the office, or send a scanned pdf copy to schedules@tdchristian.ca

Parent/Guardian Signature

Parent/Guardian Name

Date

Please include any notes that may be helpful as we plan classes (i.e. attending summer school for . . . , post secondary goals, IEP information, any online courses you wish to take, etc.)

ELECTIVE COURSE OFFERINGS

NAME: _____

Below is a list of all the elective course options being offered next year. Select **9 courses** and then rank them 1 through 9 (#1 being the course you need/want the most).

Course selections are used to design next year’s timetable. Whether or not the courses listed below will run next year depends on student interest and teacher/room availability. Ideally you will get your top 5 picks, but that does not always happen, so you are asked to pick extra courses just in case.

SCIENCE NOTE: We recommend you take a science or tech course as an elective as this provides you with more options for college and university. For all university level Science courses (except SES4U), students must take the Grade 11 course before taking the Grade 12 course. This is not the case for college level as, in Ontario, there is only one grade level for each subject.

Discipline	Course (Course Code)	Rank
Arts	Music	Guitar (AMG3O)
		Music Class (AMI3M)
	Visual Arts	Photography (AWQ3M)
		Visual Arts (AVI3M)
	Drama	Show (ADB3M)- permission required
		Drama (ADA3M)
