

## Toronto District Christian High School Tuition Fee Table for 2026-27

### 2026/2027 Tuition Rates

# of Children Enrolled at TDChristian	One	Two	Three
Base Rate	21,200	29,560	37,920
A. Long term supporter Deduction (5%)	(1,060)	(1,478)	(1,896)
B. Children in Christian Primary Deduction (15%)	(3,180)	(4,434)	(5,688)

**A. Long-Term Supporter Deduction** of 5% is given to families who have had children at TDChristian for at least four school years OR have donated a minimum of \$4,000 prior to December 31 of the year prior to their first child's enrollment at TDChristian.

**B. Children in Christian Primary School deduction** A 15% tuition deduction is available to families who have a child currently enrolled in a school-approved Christian primary/independent school at the same time a sibling is enrolled at TDChristian High School.

Further notes:

1. Because TDChristian has charitable status, some of the tuition qualifies as a charitable donation. To determine the approximate amount of your donation, deduct the estimated 2026-27 cost of education per child of \$9,700 from your total tuition fees. Note: two children means deducting \$19,400
2. Tuition includes transportation, textbooks, student activity fees, day trips, required service trips, most extra-curricular activities, instrument use for music class and band, locks and lockers, a yearbook, and computers (including MacBooks for all students).
3. While TDChristian tuition is set up to be all-inclusive, there are a few instances of extra fees:
  - English as a Second Language
  - OSSC Program
  - some extra-curricular activities (e.g., intramural hockey and overnight events such as sports tournaments, music retreats or tours, and drama competitions)
  - a few *optional* courses (e.g., Earth & Space Science Trip, French Trip).
4. TDChristian is supported by a greater Christian school community. Families who have invested in elementary Christian schools have already contributed to the building blocks from which all Christian schools benefit. Therefore, a pro-rated, one-time **New to Christian Education Fee** of \$2,500 is charged to families who have never enrolled a child in a school-approved Christian primary, independent school. This fee is prorated for families who have had a child enrolled in such schools for one year (\$1,875), two years (\$1,250), or three years (\$625).
5. A fee of \$1,200 per year is charged to families who choose not to participate in the Parent-Guardian Volunteer Hours program.
