

Summer School 2026

Summer school registration information for surrounding school boards!!

TDChristian does not run a summer school program. Students needing or wanting to attend summer school may do so via a local Public/Catholic school board.

From the Family and Student Handbook: **“Courses taken Outside of TDChristian including Online and at Summer School: Students who take courses other than those at TDChristian should communicate with their guidance counselor so that what they take fits in well with their future. Students who attend summer school either in person or online should seek guidance counselor approval. Since English and Perspectives in grade 11 is part of a block and grade 12 English is a key course in our curriculum, students must take grades 11 and 12 English at TDChristian.”** (pg. 21)

Below is a basic summary of important summer school registration information from the various school boards in our district. This will be updated when more information is available. For more information contact Ms. Van Schepen at vanschepen@tdchristian.ca.

NOTE: Please **DO NOT WAIT** for the registration deadline, as courses **fill-up early**. Register early if there is even a **chance** of needing summer school. If you do not end up needing summer school, you can always cancel your registration.

See below for details on each region.

Check each board's website for registration forms and procedures. Ms. Van Schepen is available for assistance with Credit Counselling summaries and summer school course approval. Contact her at vanschepen@tdchristian.ca. You are not restricted to registering with your local school boards with a few exceptions.
