Volunteers Needed for the Firehall Experiential Learning Centre

The work of the Firehall Experiential Learning Centre (FELC) continues! The school is converting the inside of the firehall building into an exciting learning space for students.

Simultaneously, the FELC Board that oversaw the Firehall Thrift Store is working to fulfill its new mission: ***promoting environmental responsibility through repurposing and selling donated materials to generate revenue to support TDChristian High School***.

Monthly, FELC Board members pick up a truck load of items from a car auction. These items need to be sorted, cleaned, sold, and/or redistributed by volunteers (parents, guardians, and/or students).

Aims: 1. Sell goods from the auction pickup for a profit of least $1,500 to donate to TDChristian.
2. Identify goods from the auction pickup for use by TDChristian.
Note: FELC has already given items to TDChristian worth a total of more than $1,000.

Categories of Items:

- clothing (usually coats, sweatshirts, shirts)
- shoes
- sunglasses
- electronics (includes phone cords, phones)
- booster cables
- toys
- sports equipment (incl. camping chairs)
- potential auction items
- things for TDCH to use
- metal recycling

Volunteers Needed for the following tasks:

- Sorting the items into categories (e.g., at the back of the fire hall when the truck arrives. Usually once a month from 10 or 11 a.m. to end of school (2:35 p.m.))
- Taking on a category of items to determine what is sellable.
- Taking on a category of items by selling what is good.
- Transporting items to organizations that will pay for or use them (e.g., metal recycling depot, electronic recycling depot, other thrift stores).
- Selling items online given to you to post and sell for FELC.
- Taking photos and writing descriptions for sellable items (online or for an auction).
- Being part of a TDChristian Auction Team that sells 40 plus items on a regular basis online.
- Finding places (resellers, other connections you have, or maybe it is you because you are entrepreneurial) or ways to redistribute the items.

Get Involved: Become PART of our team by emailing felc@tdchristian.ca. Send your ideas or questions using the same email.

The FELC Team
