

Case for Support

TDChristian HIGH SCHOOL

‘A Million Blessings...’
Every Gift Doubled. Every Blessing Multiplied.

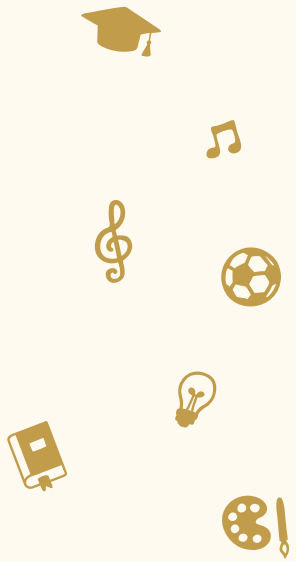

“Now to Him who is able to do immeasurably more than all we ask or imagine...” Ephesians 3:20

God has richly blessed TDChristian High School for generations.

Through His faithfulness, more than 5000 students have been equipped to learn for service in the light of God’s Word. They have discovered their gifts, strengthened their faith, and gone on to serve in their churches, communities, workplaces, and families.

Now, God has placed before us another opportunity.

An opportunity not simply to give. But to multiply.

A Million Blessings...

A generous donor has committed to matching every gift made to this campaign dollar for dollar up to $500,000!!

Together, we have the opportunity to raise $1 million!!

Every gift doubled.

Every blessing multiplied.

This extraordinary opportunity allows every donor, regardless of the size of their gift, to make twice the impact in strengthening the future of Christian education at TDChristian.

Multiplying Opportunity

The buildings that serve our students today are a blessing made possible through the generosity of generations. Their faithfulness gave today's students classrooms to learn in, places to serve, compete, create, and grow.

Today, we are called to continue that legacy.

While our facilities continue to serve students well, the remaining mortgage from our previous building campaign limits what is possible. Every dollar directed toward debt servicing is a dollar that cannot be invested in students, innovative programming, tuition assistance, or future opportunities.

Reducing this debt isn't simply about improving finances.

It's about creating opportunities.

Opportunities that invest in people.
Opportunities that innovate. Opportunities that welcome more families.
Opportunities that steward God's blessings for generations still to come.

Making Christian Education More Accessible

Across our community, more families are asking an increasingly difficult question: "Can we afford Christian education?"

We've seen the impact firsthand. We're seeing a growing number of families apply for tuition assistance.

Behind every statistic is a family that longs to provide Christ-centred education for their child but worries whether it is financially possible.

This matching gift campaign of $500k results in $1M towards debt reduction. The interest savings on the mortgage alone per year is approximately $65k which could provide tuition assistance to an additional 10 or more families!

Reducing our mortgage burden helps create long-term financial flexibility and sustainability allowing TDChristian to remain accessible to more families while continuing to provide an exceptional Christian education.

Protecting What Makes TDChristian Distinctive

Our vision has never been to provide only the minimum. We believe students flourish when they are encouraged to discover God's calling in every area of learning. At the heart of Christian education at TDChristian is a desire to prepare young people to serve Christ and others with wisdom, compassion, creativity, and excellence. That calling shapes everything we do.

It is reflected in meaningful programs that help students explore God's world and develop their gifts, from French, Music, and World Cultures to experiential learning opportunities such as Environmental Block, Outdoor Education, and Show-Pro. This is reflected in exciting new opportunities through the Firehall Experiential Learning Centre, including our new Drone program and expanded business programming that encourages entrepreneurial thinking and innovation.

As the world changes, we want to continue providing experiences that equip students to lead faithfully and confidently in a wide variety of fields.

Learning at TDChristian extends beyond the classroom. Through service-focused and empathy-building grade trips, students are challenged to grow in character, deepen their understanding of others, and live out their faith in practical ways. These experiences are central to who we are. They help shape students into thoughtful disciples and compassionate leaders.

The same is true of the many opportunities students have to discover and develop the gifts God has given them. Through programs such as Servant Student Leadership, students learn to lead by serving, following the example of Christ. Through athletics, the arts, and a wide variety of extracurricular opportunities, they learn perseverance, teamwork, creativity, and stewardship of their talents. In each of these experiences, students gain a deeper understanding of who God has created them to be.

These programs are not extras.

They are expressions of our mission.

By supporting *A Million Blessings...*, you help preserve these opportunities, strengthen their future, and create room for continued growth and innovation for generations to come.

Sharing God's Abundance

Throughout Scripture, God's blessings are never meant to stop with us.
They are meant to overflow.

When God's people share generously, blessings multiply. Lives are transformed.
Communities grow stronger. Future generations are equipped.

That is the heart of 'A Million Blessings...' It is not simply about raising one million dollars. It is about multiplying the blessings God has already entrusted to us.
It is about faithfully stewarding today's gifts so tomorrow's students can experience the same Christ-centred education that has shaped generations before them.

Every Gift Doubled. Every Blessing Multiplied.

Whether you give $100 or $100,000, every dollar you invest will be matched until $500,000 has been given.

Together we can unlock $1 million for the mission of TDChristian.

Together we can create room for growth, innovation, accessibility, and excellence.
Together we can ensure that God's blessings continue to multiply through every student who walks our halls.

This is more than a matching gift campaign. It is an invitation to invest in generations of faithful learners, servant leaders, and Kingdom builders.

A Million Blessings...

Every Gift Doubled.
Every Blessing Multiplied.
